Comments:

5. Question : A model of intergroup relations where people retain their unique cultural characteristics, while they mix socially and economically with other groups is known as which of the following?

Student Answer: Separatism
 The Melting Pot
 Cultural Determinism
 Cultural Pluralism

Instructor Explanation: Cultural Pluralism

Points Received: **1 of 1**

Comments:

6. Question : Which of the following is an example of oppression?

Student Answer: A person who treats people from a particular racial group differently from others
 A person's perception that a particular group is less worthy
 Lack of funding for school districts that serve poor communities
 Services that exist in order to provide financial relief to those in need

Instructor Explanation: Lack of funding for school districts that serve poor communities.

Points Received: **1 of 1**

Comments:

7. Question : Affirmative action is a quota system that requires employers to hire a specific percentage of persons who do not belong to the dominant group.

Student Answer: True False

Instructor Explanation: Affirmative action is not a quota system. It is a policy to help address past inequities and it is fraught with political problems, but at its core it was designed to level the playing field so that persons who are not part of the majority will have equal opportunity as long as they are qualified.

Points Received: **1 of 1**

Comments:

8. Question : The 14th Amendment gives every person equal protection under the law. The 15th Amendment gave all persons the right to vote, regardless of race or gender. The 19th Amendment made it illegal to discriminate against people because of their age.

Student Answer: True False

Instructor Explanation: The 14th Amendment gives every person equal protection under the law. The 15th Amendment gave all men the right to vote, regardless of race. The 19th Amendment gave women the right to vote.

Points Received: **0 of 1**

Comments:

9. Question : Ageism is no longer a problem in our society.

Student Answer: True False

Instructor Answer: Of course it is still a problem! We are a youth-driven culture.

Explanation:

Points Received: **1 of 1**

Comments:

10. Question : Which of the following is NOT an explanation for discrimination of oppression?

- Student Answer:
- Biological determinism, or the belief that innate characteristic explain why some people are better than others.
 - The socialization process in which we learn prejudice and discrimination through observation in our families and culture.
 - Scares resources and self-interest.
 - None of the above.

Instructor Explanation: see pp 106-107

Points Received: **0 of 1**

Comments:

- Student Answer: ✓ True False
- Instructor Explanation: see p. 123

Points Received: **1 of 1**
Comments:

17. Question : What is a very common phrase used throughout elementary, middle, and high schools today - that is prejudiced even though some students may not mean it to be hurtful?

- Student Answer: ✓ That's so gay!
 That is sick!
 Trippin'
 I spilled my coffee!

Instructor Explanation: That's So Gay: One of many homophobic slurs. Have you ever heard someone say, "That's so gay," to indicate that something is stupid, negative or girly? You'd be in the minority if you hadn't. According to the Gay, Lesbian and Straight Education Network (GLSEN) National School Climate Survey, nearly nine out of ten students reported hearing, "That's so gay," or "you're so gay" at school! A lot of people who would never dream of uttering a racial or religious slur seem to have no problem using this homophobic one.

Points Received: **1 of 1**
Comments:

18. Question : Which of the following statements is NOT true regarding diversity in America?

- Student Answer:
- 80% of the current population is categorized as white or anglo; 50 years ago the population was 90 percent white
